

OLC (27 Nov 78)

Extract from the Staff Meeting Minutes of 27 November 1978:

The Director also called attention to the item in the "Executive Summary" regarding the Indian newspaper item alleging that 24 Indian journalists were associated with the CIA and that this information had been included in a U.S. Senate Committee report investigating U.S. intelligence activities in various countries. The Director said that he would like OLC to advise him on this. (Action: OLC)
